1 About this course

1.1 Qualification Outcome

This course **2Q4V** leads to PGCE (M) QTS. Click here for further clarity on the significance of different teacher training qualifications.

1.2 Special Features

This course is run by the West London Teacher Training Alliance (WLTTA), in partnership with the University of Roehampton. We make prompt shortlisting decisions and liaise with you quickly if we need additional information.

Some WLTTA primary courses (including this one) come with our unique school bursaries, see more in section 4.

This course focuses your experience on Foundation Stage and Key Stage 1. You can teach any primary age when you qualify, but your experience on this course may influence the class you teach in your first job.

WLTTA enables you to choose your host school. Later, if there is a teaching vacancy and they want to retain you, you can be employed for the following year **without the post being advertised.** By becoming a WLTTA trainee, all our other schools could employ you this way and we operate a pool.

Our aim is to produce exceptional teachers who could remain in alliance schools to continue their careers, taking advantage of further professional development, including the accredited Early Career induction programme.

1.3 The Training

Most of the training occurs in **your host school** (and at the school that WLTTA select as a contrasting placement for approx. 6 weeks,) but you still enrol as a student at the university with full access to their facilities and mentors.

Part of your training is also delivered from the university and part from our strategic lead primary (Fox Primary School, W8). Fox is rated 'Outstanding' by Ofsted, with very high academic standards and significant experience of teacher training.

As a guide: typical timetable

University of Roehampton

At school, through an initial programme of observations you will become familiar with the organisation and working of the school (pupil groups and pastoral systems, staffing, curriculum, resources, facilities, approaches to learning and teaching, lesson planning and assessment.

You will be treated like a member of staff. With your school mentors, you will feel supported as you progress and become ready to teach. Our mentors are excellent teachers and undertake rigorous training to develop their mentoring skills. In school, you will have the opportunity to develop your teaching expertise and relationships with children in a familiar environment.

Your university tutor will visit to monitor your progress at both schools, to discuss your development with you and your mentors. You will maintain close links with your host school throughout the programme. WLTTA also provides additional opportunities /seminars.

2 How school placements work

2.1 Choosing your School

With WLTTA, you select the main host school at application. We then later arrange your second placement at another contrasting WLTTA school to provide greater depth to your training experience.

If you want to see when you would be at the university; when at your main host school; and when the contrasting school - see our typical timetable linked above.

The schools seeking trainees on this particular course are listed below.

- Barlby Primary School, W10
- Barnes Primary School, SW13

The characters and location of our schools are varied. To help you decide, please refer to our overall WLTSA Primary School Summary Descriptions and our Map of WLTTA Schools.

You can contact us to ask how many applications (if any) are being considered by different schools when you are applying.

2.2 Our Detailed Website and Live Online Presentation and Q&A

We recommend that you visit our website www.wltta.org.uk to properly see all our vacancies. We have many other primary teacher training courses at other schools including a few salaried places. You can download the course document for any of our courses; and see a video about us, with previous trainees being interviewed.

You can also sign up there to join our fortnightly Zoom presentation about getting into teaching and it includes an opportunity for Q&A. The presentation explains all about the different routes into teaching and their separate benefits; how the money works; tips about using the 'Find Postgraduate Teacher Training' portal; applications; offers; etc. No pressure, you don't have to attend this at all. It is just there for anyone who is trying to understand it all better. We get excellent feedback on this year after year.

3 Entry requirements

3.1 Academic Requirements

You will need

- a UK undergraduate honours degree (or equivalent) at 2:2 or above.

It helps to have a sense of humour and an ability to laugh at yourself!

3.3 Other requirements

A realistic understanding of the role of a teacher and an awareness of some current issues facing the profession is also important. We have some advice relating to school experience on our website: WLTTA School Experience tab

Offers are conditional on satisfactory outcome of a DBS check (approx. £60) and an occupational health check (approx. £20) both administered through the university after an offer is accepted.

4 Fees & financial support

4.1 Fees

The tuition fee for this course is £9,250 payable to University of Roehampton.

4.2 School Bursaries

All trainees on this course will receive a bursary from the school despite bursaries not being available from DfE.

Full details of this unique additional funding can be seen in the tab on the Primary Courses page on our website: WLTTA Primary School Bursaries.

4.3 Student Loans

You may also be eligible for a student loan while you study. You can take out a student loan even if you already have an undergraduate loan. Loans for tuition fees are not means tested (whereas loans for maintenance are means tested) but you should confirm all this using the DfE's 'Get into Teaching' website tab: Funding Your Training.

4.4 Other Financial Support

Please also be aware that as a full time student, you would be eligible for cheaper travel in London using a student Oyster card and in many boroughs, you can get a reduction on your council tax payments.

5 About the training provider

5.1 The West London Teacher Training Alliance (WLTTA)

The West London Teacher Training Alliance represents a large group of 60+ schools (nurseries, primaries, special needs, secondaries, sixth forms; faith and non-faith, maintained schools, independent schools and free schools) – who are all seeking to mentor and build a relationship with a trainee who aspires to work in their school.

Most of our schools are in Hammersmith & Fulham and Kensington & Chelsea, but we also have schools in Westminster, Richmond, Twickenham, Ealing, Hounslow, Hillingdon and Brent. The WLTTA office is based at Sacred Heart High School, in Hammersmith.

We have formal partnership arrangements with four universities:

- St Mary's University, Twickenham
- University of Roehampton
- University College London (UCL)
- London Metropolitan University

5.2 Our approach to trainee recruitment

We pride ourselves in the support that we provide potential applicants and in the speed of our shortlisting. We have a detailed website (do please look) and the WLTTA office is staffed full time with experts to talk to on the phone.

You choose the schools when you apply. If you perform well at interview but fail to get a place at your preferred school, we operate an internal referral system rather than rejecting you (see the interview section below).

We place significant emphasis on getting a good fit between trainee and school because we are all keenly focussed on recruitment for qualified teachers in our alliance schools the following year.

5.3 The Accrediting Body

This WLTTA course is accredited by University of Roehampton, who have been at the forefront of teacher education for over 100 years. Many members of staff are at the cutting edge of research in teacher education, which has a positive impact on the quality of our provision; tutors have extensive teaching experience in schools with many having served as consultants or as Ofsted inspectors.

The university experience is enhanced by its beautiful campus - unique in being both close to central London and set in parkland with grand, historic buildings and lakes side by side with newly built modern facilities.

6 Interviews

Our schools seek trainees that aspire to work for them. We enable you to select your preferred host school(s) at application and later through a referral process. We provide information about the schools to help you choose.

6.1 School Interview

Once shortlisted, we arrange for you to be invited to the school interview. Each of our schools interview independently of each other, but the process is all administered centrally through WLTTA.

You will be notified of all the arrangements by email in advance of the interview. This may include the completion of two short online tests in numeracy and literacy.

You will need to email scans of your degree (if you have this already) and any school Maths, English and Science qualifications you have already, to WLTTA centrally (Pippa Currey) pcurrey@sacredh.lbhf.sch.uk.

We can still make an offer subject to later verification of particular qualifications.

6.2 Internal Referrals

If you do not get an offer after the school interview, but have demonstrated potential, you can then choose another school and we would recommend your shortlisting. You would not need to repeat the online tests or subject audit.

We hope to fit good candidates with schools that they are happy with and where they can secure an offer.

There remains an advantage initially in applying to the course at more than one school, because such applications would be considered in parallel rather than sequentially. If you have a clear first choice, email us and we can try to ensure a sensible order for the interviews.

7 Training with a disability

WLTTA and all our partner universities are committed to supporting students with disabilities. Please contact us as early as possible in your application process so that your needs are met and support can be arranged.

You can also find support and information from the university accrediting the programme: University of Roehampton Disability Services
